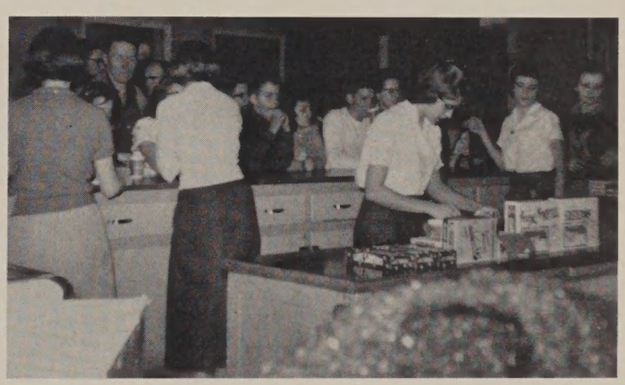
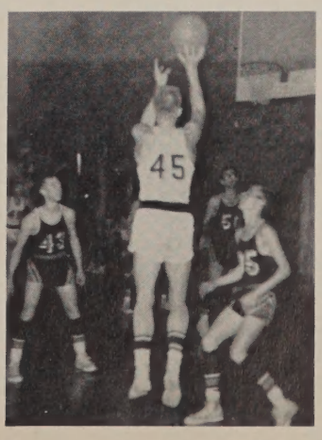
Activities Of M.H.S.





We Dedicate

The Senior Class of 1958, wishes to dedicate this annual to a former student of Millersburg High School, who would have graduated this year, had he not been killed in an automobile accident on December 12, 1954.

The memory of Floyd Troyer will remain in the hearts of his fellow classmates long after they have graduated and gone their separate ways. May we remember him always as a gay and cheerful person.

John 11:25
"I am the resurrection, and the life: he that believeth in Me, though he were dead, yet shall he live."

Class History

Our Freshman class consisted of twenty-eight members from which we selected the following officers: President, Max Bailey; Vice-President, Sue McKibbin; Secretary, Mary Bowlby; Treasurer, Bev Vance; Reporter, Cecil Hite; Student Council, Burnell Mahler and Ron Stump. Our sponsor was Mr. Howard. We had class dues and a bake sale to raise our treasury. Our boys also won the class tourney in an exciting game.

During our Sophomore year we lost a few members which brought our class roll down to nineteen. Officers of our class were: President, Burnell Mahler; Vice-President, Cecil Hite; Secretary, Sue McKibbin; Treasurer, Mary Bowlby; Reporter, Max Bailey; Student Council, Sue McKibbin and Jim Green. Our sponsor was Mrs. McColley. We sold Christmas cards to make money.

Beginning our Junior year we had as class officers: President, Ray Yoder; Vice-President, Paul Simmons; Secretary, Sue McKibbin; Treasurer, Mary Bowlby; Student Council, Burnell Mahler and Ron Stump; Max Bailey served at Student Council Vice-President. Mrs. Champ was our sponsor. We set our magazine goal at $800 and exceeded it. We also sold concessions. In the spring we gave our play entitled "Comin' Round the Mountain." Then came our big event - our Junior Senior Reception. Our theme was "Stairway to the Stars."

Our last and final year, has been a wonderful one. Our officers are: President, Wesley Oswald; Vice-President, Ray Yoder; Secretary, Kathy Leichty; Treasurer, Sue McKibbin; Student Council, Marie Faust and Ray Yoder. Serving as President and Vice-President of the Student Council were Max Bailey and Burnell Mahler, respectively. Mr. Ward was our sponsor. "Bolts and Nuts", our class play, was given on October 29. On December 6, we had a ham supper followed by another in the spring. We also sold Christmas candy. A few of the many important dates that our class will always remember are these: Baccalaureate on May 24, Commencement on May 28, Alumni Banquet on May 31, and last but certainly not least, on June 1 when we leave on our trip to the east.

So we finish this chapter of our lives. We have had a wonderful opportunity to work hard both at our studies and in other school activities, and always there has been time for making friends and having fun. We have many hopes and dreams for the future and will always have many happy memories of our dear old M.H.S.

Class Prophecy

After completing ten years of vigorous study in preparation for becoming the first woman President, I decided to take a vacation and tour the west. In June of 1968, I stepped into my jet convertible and started off. Leaving Millersburg, I arrived at Houston, Texas in six minutes. Circling over the city the first thing I noticed was a large building about four hundred stories high with a huge sign flashing, "Houston Times, Mary Ellen Bowlby, Editor." It seemed rather unusual until I remembered that she had been editor of our annual.

I stopped and talked to her. She told me that Ray Yoder, and Ron Stump had become great physicists and after years of work, they had come up with the marvelous equation, "nothing is to nothing as a vacuum is to a Freshman's head." I was glad to hear they were such a success, but was really surprised when she told me that Beverly was living just a few miles away. I said goodbye to Mary Ellen and departed for Bev's. When I arrived at the place Mary Ellen had described I almost didn't go in because there were children of all ages playing in the front yard. Just as I was about to leave, someone called out asking what I wanted, and believe it or not there stood Bev. After we fed the children (eight of them) we had a wonderful visit.

As I was running short of time I regretfully said goodbye to Bev, and boarding my jet arrived in Los Angeles shortly afterward. The first thing that caught my eye were posters, advertising a marvelous professional basketball team, and who do you suppose was the star player? Max Bailey! He had grown three inches and was averaging 54 points per game. I bought a ticket right away and was I surprised when at halftime for entertainment, Wesley Oswald was telling suicide jokes. What next? It was quite a shock to find out that Dale Berkey was the coach. But then I always knew he had hidden talents. While I was near, I decided to stop at Hollywood, but was totally unprepared for the sight that greeted me. There in the world's largest studio were Sue McKibbin and Dave Hire, starring in a hilarious new comedy. After talking to them, I found out they got the idea from their senior play parts and were playing almost identical roles in the film. Sue then introduced me to the director, John Sparklin. John said he was thinking of making a film using the great singing star Rosalie Saggers.

On the next set a spectacular new western was being made. The star "bad man" was played by Jim Green who was doing a very good job. I had a chance to talk to Jim between shots and he said that I could see another member of the class if I went out to Utah where they were testing rockets and missiles. Naturally I went, and just as I thought, I saw Dale Herschberger. Dale had just perfected a new rocket to the moon and selected Burnell Mahler as his pilot since Burnell had recently been up in his earth satellite. Kathy Leichty went along as stewardess to take care of the passengers.

A few miles away, they were having an old fashioned hot-rod race that I decided to go to. It was very exciting and I was glad to see Paul Simmons win by a nice margin.

As I went home to prepare for taking over the Presidential Post, I was in high spirits and looked forward to our class reunion in 1978.

Class Will

I, Max Bailey, will my height to Larry Dale Troyer.

I, Jim Green, will my car to Mr. Swihart. He needs a new one.

I, Dale Berkey, will my trombone playing ability to Bruce McKibbin.

I, Sue McKibbin, will my good times in high school to next years' freshmen.

I, Mary Ellen Bowlby, will my ability to be band majorette to anyone who can get into my suit.

I, Wesley Oswald, will my ability to argue to anyone who doesn't make good grades.

I, Dale Hershberger, will my scientific ability to next year's Chemistry Class.

I, Paul Simmons, will some of my weight to Jerry Gapner.

I, Kathy Leichty, will my Christmas present to anyone who needs them.

JUNIORS

The Junior Class started the year out with topping all other classes in selling magazines. We had a total sale of $1,416.08. Arlene Yoder was high salesman, for which she received a flash camera. Peggy Suter was second and she received a bracelet. We also received a watch for topping our goal which we auctioned off at the ballgame. Our next project was selling Ice Cream during the noon hour. We also received half of the concessions from the ballgame. We sponsored a skating party the first semester. In the Spring we gave our Class play directed by Mrs. Overmeyer. We rounded out a successful year with the Junior and Senior Reception.

SOPHOMORES

The president of the Sophomore class this year is Barry Long. The class dues are $1.00 per semester. The class sold Christmas cards part of the first semester. They were divided into two teams for selling the cards, the captains being Sandy Miller and Glen Troyer. The losing team, Sandy's, acted as host at the Backwards party which was held at the School. The class gave Mr. Swihard, their sponsor, a black crew neck sweater for Christmas.

FRESHMEN

The enrollment for the Freshman class this year was fifty-two, but at the present there are only forty-seven. The class colors are Charcoal, Pink and White. Our motto is "If there is something to do, it will be done by us, the class of 61." We had a sledding party at Buzzard Hill. On the 12th of March we sponsored a roller skating party.

On October 11, we initiated twenty-one members. The service was held at the Reformed Church in Millersburg. We attended conventions at Andrews and Crawfordsville. We gave a donation to the Riley Hospital Fund and a few small gifts to the Mental Health Association at Christmas. To make money we sold pens, had a bake sale, and individual projects. In the spring we had our installation of new officers at our tea. At this time we also revealed our idenity to our Ideal Ladies.

We, the members of the Sunshine Society, wholeheartedly believe in the ideals and motto of our society. We hope serving others will always be the goal of the Sunshine girls at Millersburg High.

Band

Early in the fall the Band started the school season by marching in the Auburn County Fair parade in which seventy-two bands participated. During the years several new members were added to the band making a total of forty-three marching members. At every home basketball game the band presented a marching performance during the halftime of the game and the Pep Band played for the Pep Club. The Annual Spring Concert and other various activities, which included a swimming party for the band members, made a busy season for the Band.

The Band Parents purchased five new uniforms and several other items for the band which were greatly appreciated. The three Seniors who received their awards of sweaters and letters will be leaving the Band. They are Beverly Vance, Alto Sax; Mary Bowlby, Drum Major; and Dale Berkey, Trombone. Don Slabaugh also received a sweater and letter having attained enough merits during his Junior year.

The Band had a very successful season during the 1957-58 school year and is looking forward to even more success during the next school year.

JUNIOR HIGH COACH

William Robinson

The Millers opened the 1957-58 Hardwood season with a 76-45 win over Jefferson on the neutral Wakrusa court. Ray Yoder led the Millers with 28 points. Our second game was a rousing 73-70 upset of the New Paris Cubs, defending county champions. Ray Yoder collected 25 points raising his total to 53 points in two games.

Our third game proved to be unkindly as we were beated by Ligonier 59-61 in a "sudden death" overtime (2). The Millers bounced back from this defeat with a 23-50 win over Topeka.

We traveled to Jimtown for the next one, and defeated the Jimmies 63-43, with Big Max getting 16 counter. Then we trounced Leesburg 64-23 highlighted by substitute Ron Stump leading the pack with 14 markers. On our next encounter we slipped by Scyracuse 57-56, on even scoring which lead by Jim Green and Glen Troyer 13 tallies, coming from 10 points behind with less than 3 1/2 minutes to go.

In their second straight game at home walloped Concord, 70-46, paced by Baileys 28 counters.

The Millers really came through and showed our fans some real good ball playing, this year. The boys played better ball than the record shows because most of the games lost were very close ball-games.

The Millers won four of the first fifteen games, dropping some close ones to Topeka, Concord, Jimtown, and Wawaka. They have yet to play three games with Rome City, Milford, and Topeka.

In the second game with Jefferson the tigers failed in an 79-51 output. Bailey led with 22 points although the regular only played about one-half the game. Our first game of 1958 proved to be nothing but a series of bad breaks, as we went down to defeat under the big feet of the New Paris five, 71-60. Our second games of 58 found us the coldest and in the worst form of the season as our big rival Middleburg stretched a 20-3 first quarter lead to a 69-37 trouncing. Our third game was nightmare also, a defeat by Bristol who leading most of the way scored an upset winning 54-49. After three straight losses and further humiliation by the pre-tourney write-ups we played one of our best games of the season in defeating New Paris in the opening round of the County Tourney 73-64 with a working margin ranging from 6 to 18 points from thirdway in the second quarter. Max Bailey tied the County Tourney scoring record with 34 points, hitting on 14 of 16 goal attempts. Max Bailey made History when he scored his 9 points of the game as it broke a twenty-nine year old County High School career record of 1,172 points held by Bunk William of Goshen. The second round found us pitted against Middleburg and we took the short end of the score losing 65-51.
